

MIRACLE BABIES

12TH ANNUAL GALA

# LA FÊTE MAGNIFIQUE

OCTOBER 23, 2021

SPONSORSHIP OPPORTUNITIES

# A MESSAGE TO OUR SPONSORS REGARDING COVID-19

During these challenging times, it is our priority to make sure that all guests of our Gala arrive at the event in good health and maintain their well-being for the duration of the event. Therefore, we strongly urge you to stay home if you are experiencing any COVID-19 related symptoms. As an organization that puts the well-being of others at the forefront of our values, we encourage you to think about the safety of other guests when you make the decision to join us in person on Saturday, October 23, 2021.

While we maintain focus on keeping everyone safe, we still look forward to celebrating with our sponsors in person for the first time in over a year. Although the past year and a half has presented a formidable set of obstacles that all individuals have had to overcome in their own way, we truly value the commitment and sincerity our sponsors have maintained towards Miracle Babies during these trying times. As we are an organization that relies on philanthropy and the contributions of others to support our initiatives, we would like to express our gratitude towards those who help make our vision a reality. We hope that you can join us for a night of celebration and socialization amongst your fellow sponsors as we kick off this highly anticipated event!

## INCLEMENT WEATHER

In the event of inclement weather, the Gala may need to be modified or cancelled. The Miracle Babies team will reach out with alternate plans if weather permits. If a cancellation becomes imminent, your ticket purchase will be considered a generous donation to Miracle Babies.
